

# State of the art Fulfillment and Shipping Optimization - A Match Made in Retail Heaven

Do your customers know what you have in stock? When and where to buy it? What about delivery dates and prices?

Forget cart abandonment, you're losing customers before they can add an item to their cart. Enter Shippit and Fluent Order Management and you can change all of that. Create the best customer experiences with powerful omnichannel fulfillment and shipping optimization.

**54% of retailers consider their carrier or delivery partner management to be ineffective**

Source: 2022 survey of 300+ global retailers

## KEY BENEFITS

**When one plus one equals more than two**

### Fluent Order Management

- Accurate inventory across all locations in real time
- Product Availability to show what's available, where and when
- Order Orchestration to maximize margins
- Optimized pick and pack, ship, pickup and returns operations

### Shippit fulfillment and shipping optimization

- Australia's leading carriers on one platform
- Smarter and faster carrier allocation
- End-to-end branded tracking notifications
- Sophisticated shipping and delivery analytics

## What you'll get

End-to-end control and visibility over an order, from before your customer clicks on the 'buy' button to when they receive their goods.

### The ultimate pre- and post-purchase experience to delight customers

Generate repeat customers with a white-glove experience. Combine fulfillment optimization with consistent and predictable tracking notifications for confidence in your delivered orders.

### Stop overselling and underselling with real-time inventory data

Make it easy to sell with real-time inventory availability and rates for delivery options. Shippit connects you to Australia's leading carriers on one platform.

### The retail integration you need to increase profits

Increase profits by shipping from the location that gives you the highest margin on each order with Fluent Order Management. Shippit's smart allocation engine automatically selects the cheapest or fastest carrier for every order. So you can save time and money.

**FREEDOM**

 **The Athlete's Foot**
